Prof. Joshua Lederberg  
Department of Genetics  
University of Wisconsin  
Medison, Wisconsin

Dear Sir,

Would you mind sending me the following book's separate volume,  
as we can't get possession of it in our country? I should be  
very delighted if you would do so, soon.

"Isolation and characterization of biochemical mutants  
of bacteria, Meth. Med. Res., 3:3-36, 1950".

Sincerely yours,

Hideo Nakayama
